

# PROJECT PROFILE

## GATEWAY UPRGRADE NORTH

INDUSTRY: DRAINAGE

CLIENT: LEND LEASE

LOCATION: NUDGE, QLD

PROJECT COMMENCEMENT: OCTOBER 2016

ESTIMATED COMPLETION: SEPTEMBER 2018

### PROJECT DESCRIPTION:

Widening the Gateway Motorway from four to six lanes from Nudgee to Deagon, reconfiguring the Nudgee interchange, including a new Nudgee Road overpass and a relocated and extended northbound on-ramp. Widening of the Deagon Deviation between Depot Road and Bracken Ridge Road.

### PROJECT SCOPE:

- ◆ Installation of over 7km of storm water pipe ranging from 375mm to 1500mm diameter
- ◆ Installation of over 200 pre-cast and cast insitu pits, gullies and manholes
- ◆ Open cut excavation crossing the M1 motorway installing storm water up to 3.5m deep undertaken during restricted hours night time closure, and ensuring all lanes were fully trafficable within allocated time frames
